Industrial Experience (IE)

What, Why, How, When, Where, Who?

Duncan Hull and Mabel Yau

September 2017
What?
Careers Advice via Al Pacino & Keanu Reeves in *The Devil’s Advocate* (1996)

“Why become a Lawyer?”
“...because the law, my boy, puts us into everything. It's the ultimate backstage pass.”
The importance of algorithms in our lives today cannot be overstated. They are used virtually everywhere, from financial institutions to dating sites. But some algorithms shape and control our world more than others — and these ten are the most significant.
“...because the law computer science, puts us into everything. It's the ultimate backstage pass.”
What?

• What is IE?
  – The industrial placement is a formal part of your studies, included in title of your degree
  – The placement **must** offer you the opportunity to be involved in technical development (sometimes indirectly)
Why?

• Find out what you like / dislike
  – Year long interview (both sides)
  – Job offers are common...

• **BETTER** employment after graduating
  – see [www.unistats.com](http://www.unistats.com)
  – Higher starting salary
  – Reduce cost of degree
  – Easier and quicker to find the job you want

• better results, more confidence
  – Validates learning so far, motivates final year

• Fun!
“Careers and jobs are challenging because (unlike school and University) there are no right answers”

Jonathan Black, Director of University Careers Service at Oxford University
amazon.co.uk/dp/1472137582
When?

• Start applying **now**

• **Vacancies appear now to August 2018**
  – Big companies (before Christmas)
  – SMEs (afterwards)

• Most start June – September 2018

• Minimum 9 months, usually 12
  – (sometimes 15)

- Mostly UK but...
- See also map outside LF26
Where

IBM

amazon.com

Morgan Stanley

pwc

Schlumberger

Microsoft

Facebook
Where? Industry club MCR

• [http://www.cs.manchester.ac.uk/industry/club/](http://www.cs.manchester.ac.uk/industry/club/)

1. Science (CERN etc)
2. Technology (Google, Facebook, IBM etc)
3. Gaming & entertainment (Universal Music)
4. Financial services (mostly London)
5. Healthcare (GSK, AstraZeneca etc)
6. Aerospace, Defence & Manufacturing (e.g. Ford)
7. ... the long tail, FMCG etc
Where?

Permission to work for overseas students (Tier 4)
If the work placement is part of you studies e.g. carried out while you are a registered student of the University, then you **do not need** a work permit
Working in the UK after study

What are my options for working in the UK after study?

Most students will have immigration permission which extends for up to four months after you have completed your studies. If you want to stay on and work in the UK after this period in the UK, you will need to apply for immigration permission in one of the work visa categories.

Where do I start?

Please use the UKCISA and the UK Visas and Immigration websites for a full list and detailed explanation of the visa options and requirements and guidance on applying. We provide an overview of the main visa options and practical tips how to search and apply for jobs that meet the visa requirements on the following pages.

- Tier 2 Employer sponsored visa
  Suitable for a graduate job/scheme in the UK. This visa requires that...
Where?

• Placements outside the UK
  – Multi-national Companies
    • Other companies will need to be verified
  – Needs more time to deal with Visa issues
  – For EU students taking a placement in other EU countries there may be extra funding
  – For non-EU students, visa details will need to be checked for the country concerned, some European countries have restrictions
    – http://www.careers.manchester.ac.uk/international/
Who?

• All degree programmes: academic rules
  – **MUST** be registered on IE
  – **MUST** get your placement approved by me (employability tutor)
  – Get me to sign off placement **BEFORE** you sign contract
How?

• If not already IE, fill in form via SSO
• Job adverts direct emailed to students registered on IE

How: key dates

• PASS sessions every Friday 1pm Collab
• Kilburn careers fair next week, 3rd and 4th Oct
• Calculating Careers fair, 4th Oct
• Big Careers Fair (Manchester Central) 10th & 11th October
careers.manchester.ac.uk/events/bigcareersfair/
• Get in the Game gradsingames.com 25th October
• Etc see UG events calendar https://goo.gl/qASvyK
Oreste  Josh  Sami

https://sites.google.com/view/cs2017-pass2
How: networking

• Not what you know but who you know…
  – Students, alumni & PASS
  – Mabel and me
  – Careers service
  – Lecturers
  – Friends, family

  – Approach businesses and organisations yourself e.g. via
    • Manchester Gold mentoring
    • Your COMP233 Software engineering mentors
    • Meet the Professionals events (see UG events calendar)
    • Hackathons etc
    • North West Tech Community Events http://technw.uk

  – LinkedIn
    • @csmcr alumni linkedin.com/edu/alumni?id=12671
    • Alumni tool uk.linkedin.com/edu/the-university-of-manchester-12671
    • Search your “2nd degree” connections – I’m happy to connect with students on LinkedIn if you find my network useful
    • DEMO
How: Salary

• Salaries

• Typically £15k to £40k+
How

• If you have questions about -
  • Applications and Interviews
  • Accepting a placement
  • Signing Contracts
  • Let us know at https://goo.gl/FBQ1iK

LF25
duncan.hull@manchester.ac.uk
0161 275 6186

Or ask Mabel, LF26,
Mabel.yau@manchester.ac.uk
How

• Students on placement
  – complete some small reports during the year
  – Will be visited ....
  – Should keep in touch ...

• More on this in May
How? Next steps

• What do you do?
  – Get feedback on your CV from as many people as possible
  – http://git.io/mycv
  – Check out the resources
  – Beware of time! Second year more demanding time-wise

• Good luck, there are lots of great opportunities out here!
